Mother's Brunch

The fourth annual Mother's Brunch will be on May 13th from 11:00am – 12:30pm. Once again, we are partnering with Swedish Hospital Issaquah and Tavon Center to provide a FREE event to the community to celebrate moms who have kids with developmental disabilities. There will be music, a fun spring time activity and great company. This is an event you don't want to miss!

Space will fill up fast, so be sure to register soon!
Registration will close May 10th.
